Dear Parent / Carer,

Like you, all the information we see being broadcast and documented is all very confusing and as always mainstream bias. We are hoping for a lot more detail of how things will unfold in the coming weeks, not least across Hope provisions. However, we need to put plans in place mindful that there are so many unknown variables in play whilst continuing to keep everyone safe.

Moving forward if your family circumstances change in any way and we need to adapt your support, as always, please do not hesitate to contact me on [s.lucas@hope.wigan.sch.uk](mailto:s.lucas@hope.wigan.sch.uk) or phone me at school anytime and we can look at your situation on an individual basis.

Can I also reassure you all that we will continue to keep you updated with any changes if and when we receive them and class staff will continue to keep weekly contact with you to ensure you have all the help and advice you need.

I realise these are very unsettling times for you and your families' and you are all doing a brilliant job..... but yet again, you do all have amazing children.

Let hope and wish for a speedy return to our usual lifestyles as soon as possible. Remember, don't worry at home about anything please just phone.

Again, can we thank you for your continuous support,

Take care and keep safe.

Best wishes

*Sue.*
