Dear Parents / Carers,

I have been made aware early this morning that a member of the school community has received a positive COVID-19 test result. In line with Public Health England guidance we have implemented the following advice.

Any direct or proximity close contact pupils and staff have been contacted and asked to self-isolate for 14 days. As a result of our ongoing safety precautions and rapid action this has been kept to a minimum. The room is currently closed off for a robust cleaning regime to be implemented.

I have also provided a link below to the latest advice and guidance for schools. It is vital we continue to apply guidance as effectively as possible to mitigate risks.

Thanks again for your continuing support.

If you have any questions, please do not hesitate to contact me

Best wishes

Sue.
