

1. General

We apply the charging policy in line with Section 457 of the 1996 Education Act which e.g. allows charges to be made for residential school trips etc.

This policy statement makes the distinction between those activities undertaken at Hope School and College for which the governing body is prohibited from charging for the service provided and those activities/services for which it is permitted to levy charges

 - The basis of determining whether the activity is deemed to take place either inside or outside school hours is if 50% or more of the time, together with any connected school travelling time falls during school hours. '*Connected school travelling time*' means time spent during school hours by the pupils taking part in the activity concerned in getting to or from the place where the activity takes place.

- Examinations
 - Charges cannot be made in respect of the entry of a registered pupil for a prescribed public examination, for which the pupil has been prepared at the school, unless the school have paid the examination fee and the pupil fails without good reason, to meet any examination requirement for that syllabus.
